

BAJA SAEINDIA 2018

To: BAJA Participants, Faculty Advisors, College HODs & Principals

8th June, 2017

Greetings from Mahindra BAJA SAEINDIA

It is the corroboration to your efforts and allegiance that made BAJA SAEINDIA 2017 an astounding success and I would like to personally thank each one of you who made this decade edition a distinctive one. This event has been built through shared passion and ardor among students all over the country, who had the zeal and the intent to venture further. Students undergo a leap's bound in terms of technical knowledge along with an experience, which leads to the addition of an astonishing dimension to their overall persona. These individuals are propelling the Indian Auto Industry to new heights.

With the beginning of the 2018 season, I am glad to announce that 388 teams are participating which includes 43 eBAJA teams. Hence, it gives me immense pleasure to announce that we are expanding our ground for glory by organizing 2 events from this season, the event sites being Pithampur, Indore (January 2018) and Ropar, Punjab (March 2018). The competition is going to be sterner and mettlesome.

*I extend a warm welcome to all participants, faculties, volunteers, judges and sponsors for the Virtual round of BAJA SAEINDIA 2018, which would take place at **Chitkara University**, Chandigarh-Patiala National Highway (NH-64), Punjab on **14th and 15th July 2017**, which consists of 100 points inclusive of your Virtual BAJA Presentation and Viva (Rule book knowledge and General Automotive knowledge).*

After two days of spirited assessment, the final list of selected teams will be published on the official website of BAJA SAEINDIA/Social Media/ Forum.

Further details regarding Presentation Guidelines, Time Slots, Schedule & other related information will be shared to the teams by the Alumni Committee and will also be uploaded on the forum shortly.

I wish all the luck to the participating teams.

Warm Regards,

Shoaib Sadiq
