

4<sup>th</sup> EDITION

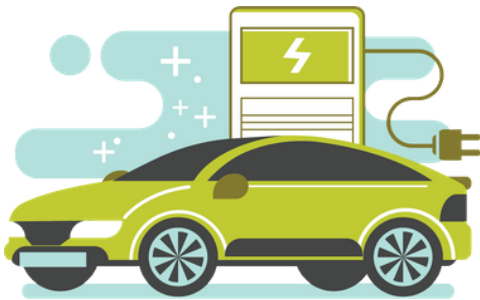

# ITEC INDIA 2021

*E-Mobility for AtmaNirbharBharat*

INTERNATIONAL TRANSPORTATION ELECTRIFICATION CONFERENCE

# CALL FOR PAPERS

ICAT CONVENTION CENTRE, MANESAR  
DECEMBER 16 - 18, 2021.

## ABOUT EVENT

Mobility has transformed rapidly in the last decade. COVID 19 has changed the world the way no one ever thought of. Personal mobility is in the top of the mind priority of every consumer. Developed countries are focussing on **`ACES – Autonomous, Connected, Electric & Shared`** mobility solutions considering their context.

Considering India's need for Energy Security, COP-21 commitments, Consumers (income levels, aspiration), safety on road and environmental aspects, India need to focus on **`Affordable, Connected & Shared, Environment friendly (Incl. e-mobility) and Safe`** mobility.

### Focus of Conference:

ITEC INDIA 2021 will focus on 7C's (Common, Connected, Convenient, Congestion-free, Charged, Clean and Cutting-edge) aspects for e-mobility with focus on #AatmaNirbharBharat.

**ITEC India 2021** will be a forum that provides an opportunity to discuss the future e-mobility solutions in the Indian context, with the best of the minds from across the world deliberating the enormous possibilities. Considering the current Pandemic situation efforts will be made to have a Hybrid structure for the conference sessions, especially to encourage overseas participation.

## IMPORTANT DATES

Abstract & Digest submission opens: 15th April 2021

Abstract & Digest submission deadline: 30th June 2021

Selection of final Papers: 15th September 2021

Submission of Full paper (Confirmed papers): 15th October 2021

## TOPICS

Power Electronics,  
Electric Machines and  
Actuators

Electric and Hybrid  
Electric Vehicle  
Architecture

Energy Storage, Fuel  
Cells, Battery and Battery  
Management

Electrification in goods  
transport vehicles  
(HCV's, Sea, and  
vertical)

Ecosystem Enablers:  
Infrastructure, Smart  
Grids, V2G & Smart cities

Standards, Regulations &  
Policies for holistic  
Carbon approach &  
Recycling

Modelling, Simulation  
and Control

Consumer Aspect and  
Research

## GUIDELINES

A digest of maximum 5 pages (single-column, double spaced, including figures and tables) needs to be submitted for selection process. The digest should provide clear and concise statements on the contents of the paper.

Each Paper Proposal must include Technical track name, Paper title, Name(s) of author(s), Affiliation(s), Mailing address(es) and E-mail address(es). If there are multiple authors, please identify the corresponding author.

Submission should be done as a PDF file (A4 Size) limited to 3MB size.

Formatting: Submission should be done using Times New Roman font in different font size as suggested (Title - 14 point, bold and center aligned, Author & Affiliations names: 12 point, center aligned, Contents 12 Point). Section heading in text should be in bold, in a separate line and left justified. Use of bold face with bigger fonts for title and not for authors, affiliations, and the main text.

**Authors are requested to submit their 5-page Digest at  
<https://cmt3.research.microsoft.com/ITECINDIA2021>  
or email to [itecindia@saeindia.org](mailto:itecindia@saeindia.org)**
