Registration Details

Conference	Cost	TOPTECH Program	Cost
Non SAE Member*	INR 11,450	Non SAE Member	INR 34,350
SAE Member	INR 8,015	SAE Member	INR 28,625
Academia/Authors	INR 5,725		
Student Authors	INR 3,435		
Overseas Delegates	USD 229		
*Registration fee for non members includes 1 year FREE SAEINDIA Membership.		Registration for TOPTECH Programme Includes the registration fees for conference.	
All fees are including 14.5% applicable Govt. Service Tax.			

Account Details:
Please send the completed association form along with MICR Cheque /Demand Draft drawn in favour of " **SAEINDIA International Mobility Conference**".

Account Name: SAEINDIA International Mobility Conference
Account no: 1550201001502
Bank: Canara Bank , Chennai
IFS Code : CNRB0001550

For online registration and payment, please visit **http://siimce.org**

About Venue

India Habitat Centre (IHC) was conceived to provide a physical environment, which would serve as a catalyst for a synergetic relationship between individuals and institutions working in diverse habitat related areas and would therefore maximize their total effectiveness. To facilitate this interaction, the Centre provides a superb range of facilities.

India Habitat Centre, Lodhi Road, New Delhi - 110003

General Information

SAEINDIA is India's leading resource for mobility technology. As an individual member driven society of mobility practitioners the ownership of SAEINDIA rests with its members who are Individuals from the mobility community, which includes Engineers, Executives from Industry, Government Officials, Academics and Students. **SAEINDIA** is an affiliate society of SAE International registered in India as an Indian nonprofit engineering and scientific society dedicated to the advancement of mobility industry in India.

About Delhi

Delhi is a city that bridges two different worlds. Old Delhi, once the capital of Islamic India, is a labyrinth of narrow lanes lined with crumbling havelis and formidable mosques. In contrast, the imperial city of New Delhi created by the British Raj is composed of spacious, tree-lined avenues and imposing government buildings. Delhi has been the seat of power for several rulers and many empires for about a millennium. Many a times the city was built, destroyed and then rebuilt here. Interestingly, a number of Delhi's rulers played a dual role, first as destroyers and then as creators.

The city's importance lies not just in its past glory as the seat of empires and magnificent monuments, but also in the rich and diverse cultures. No wonder chroniclers of Delhi culture - from Chand Bardai and Amir Khusro to present days writers - have never been at a loss for topics. In Delhi, you will discover that the city is sprinkled with dazzling gems: captivating ancient monuments, fascinating museums and art galleries, architectural wonders, a vivacious performing-arts scene, fabulous eating places and bustling markets.

Delhi has been the political hub of India. Every political activity in the country traces its roots here. This was true even of the mythological era. The Pandavas of the Mahabharata had their capital at Indraprastha, which is believed to have been geographically located in today's Delhi.

SAE INTERNATIONAL

SAEINDIA International Mobility Conference SIIMC 2016

9th International Mobility Conference

SAFE SYNERGETIC SUSTAINABLE MOBILITY TECHNOLOGIES FOR FUTURE

8th - 10th February 2016 | India Habitat Centre, New Delhi

Hosted by Northern India Section, SAEINDIA

About Conference

9th International Mobility Conference

SAEINDIA in association with SAE International is organizing the 9th International Mobility Conference Safe Synergetic Sustainable Mobility Tech-nologies for Future on 8th, 9th & 10th February 2016 at India Habitat Center, New Delhi, India. The conference will focus on key technology issues relevant to mobility engineering such as Safety, Design, Information Technology, Electronics, Fuels & Environment. A strong national & international level participation comprising engineers, designers & scientists from OEM, component industry, R&D organizations and the student community is expected.

Topics

- **Powertrain Engineering**

Engine Trends & Advancements
Transmission Technologies
Engine Sub System Technological Advancements

- **Green Technologies**

Co2 Reduction
Fuels & Lubricants
Alternate Fuels
Friction Reduction
Electric & Hybrid Vehicle Technology

- **Vehicle Engineering**

Mobility Solutions for Future
Comfort, Ergonomics & NVH
Vehicle Dynamics
Control Systems, Control Architecture
Automotive Electrical & Electronics

- **Manufacturing Technologies**

Flexible Manufacturing
Low Cost Automation
Lean Manufacturing

- **Connected Vehicles**

Advanced Driver Assistance Systems
Advanced Electronics
Embedded Systems
Enhancing Connectivity

- **Virtual Vehicle Development**

Data Correlation
Powertrain Simulation

- **Legislation & Policies**

Safety, Emission & Fuel Efficiency Norms
Infrastructure Development for Sustainable Mobility
Public Policies & Mobility

Steering Committee

Mr Ambuj Sharma	**Add. Secretary DHI, Govt. of India**
Dr Aravind Bharadwaj	**President- SAE INDIA**
Dr R K Malhotra	**D.G. Petrofed, Sr. V.P. SAE India**
Mr I V Rao	**Executive Advisor, MSIL**
Mrs Rashmi Urdhwareshe	**Director, ARAI**
Mr Dinesh Tyagi	**Director, iCAT**
Mr Balraj Bhanot	**Chairman, TEDC-BIS**
Mr Vishnu Mathur	**Director General - SIAM**
Mr Vinnie Mehra	**Director General - ACMA**
Dr David Schutt	**CEO, SAE International**
Mr Murli Iyer	**Executive Advisor Global, SAE International**
Mr C V Raman	**Chairman, Organizing Committee**
Mr P Panda	**Chairman, Technical Committee**
Mr Deepak Sawkar	**Convener**
Dr Tapan Sahoo	**Secretary, SAE NIS**

Tentative Program

Tentative Program Outline for SIIMC 2016 (8th-10th Feb'16)

	8th Feb	9th Feb			10th Feb		
09:30 - 10:30	Conference INAUGURAL Function	Technical Papers Session 1	Technical Papers Session 3	TOPTECH	Technical Papers Session 17	Technical Papers Session 19	TOPTECH
10:30 - 11:00	Exposition Inauguration	Technical Papers Session 2	Technical Papers Session 4		Technical Papers Session 18	Technical Papers Session 20	
11:00 - 11:30	TEA Break & Exposition Visit						
11:30 - 13:00	Keynote Presentations on - Safety (Occupant & Pedestrian)	Technical Papers Session 5	Technical Papers Session 7	TOPTECH	Technical Papers Session 21	Technical Papers Session 23	TOPTECH
		Technical Papers Session 6	Technical Papers Session 8		Technical Papers Session 22	Technical Papers Session 24	
13:00 - 13:30	LUNCH Break						
13:30 - 14:00	Exposition Visit						
14:00 - 15:30	Keynote Presentations on - Sustainability (Emissions, EV, HEV, Fuel Cells)	Technical Papers Session 9	Technical Papers Session 11	TOPTECH	PANEL DISCUSSION		
		Technical Papers Session 10	Technical Papers Session 12				
15:30 - 16:00	TEA Break & Exposition Visit				VALEDICTORY		
16:00 - 17:30	Keynote Presentations on - Synergy (Connected Vehicles)	Technical Papers Session 13	Technical Papers Session 15	TOPTECH	HIGH TEA		
		Technical Papers Session 14	Technical Papers Session 16				
17:30 - 18:30	TEA Break & Exposition Visit						
18:30 - 21:00	Cultural Program & Gala Dinner						

TOPTECH Program shall be conducted on Crash Safety by Dr. Joseph Kanianthra

Dr. Joseph N. Kanianthra is currently the President of Active Safety Engineering LLC. He served as Associate Administrator at the U.S. Government's National Highway Traffic Safety Administration (NHTSA)
