Aero STANDARDS 2022

Unmanned Aircraft Systems Standards

DEC 15, 2022 | 5:00 PM – 8:30 PM IST
VIRTUAL EVENT

Open to:
- Professionals
- Researchers
- Academia
- Students, etc..

Topics
- Blockchain for UAS Overview
- Digisky and Drone Rules 2021
- Certification for UAS in India
- Overview of SAE International UAS standardization activities
- Overview of ANSI standardization roadmap for UAS V2
SAE International
SAE International is a global association of more than 1,28,000 engineers and related technical experts from over 100 countries representing aerospace, automotive and commercial-vehicle industries. Today, SAE International has a thriving community of members from the Aerospace Industry, and a commanding position in the area of Aerospace Standards with a high percentage of aerospace standards being maintained, managed and disseminated by SAE International. SAE International also organizes various aerospace activities for its members like SAE AeroTech, SAE Aero Design Challenge etc.

SAEINDIA
SAEINDIA is a premier professional society that serves the mobility Engineering Community engaged in the design, manufacturing and service of self-propelled vehicles and systems that move in land, air, space and sea. It has a glorious track record of 25 years in service to the mobility community. It has 4,000+ professional members & 40,000 student members. SAEINDIA is the largest strategic alliance partner of SAE International.

SAEINDIA Aerospace Forum is responsible for developing a strong and healthy aerospace professional ecosystem in India. Over the past decade, many events and activities have been organized by the SAEINDIA Aerospace Forum.

SAE Aerospace Forum in collaboration with SAE International is conducting an international aerospace standards workshop Aero Standards 2022 on Dec 15, 2022. The objective of this workshop includes:

- Create awareness on the aerospace standardization activities
- Provide an opportunity for aerospace professionals and students to work on various aerospace standards committees
- Develop professional competency in global standards development
- Integrate and connect Indian aerospace professionals with the global aerospace community

Registration Fee
