## **ABSTRACT SUBMISSION INSTRUCTIONS**

### Submission Link:

<https://www.sae.org/servlets/techpapers/enterAbstractForPapers.do?method=formView&evtSchedGenNum=351371&prodGrpCd=SPEC&evtName=AEROCON>

1. Before clicking the submission link, be sure your abstract is written. It is important to know that when submitting an abstract you will be required to provide a title, a 250-300 word abstract and the author(s) information. You must also have gone through the various “Topics of Special Interest” and “Topics of General Interest” as listed in conference website call for submissions and decided the specific topic that matches your submission.
2. On clicking the submission link, you will be asked to login to the SAE website with a user id and password in SAE MyTechZone. If you have not been involved with SAE previously, click on the “Need a User ID and Password” to create an SAE account before submitting your abstract.

3. Once you login, the abstract submission form will be displayed. Please enter the appropriate title for your submission. In “Paper Type”, select “Written & Oral Presentation” for Paper submission, or select “Oral Only Presentation” for Presentation submission. Kindly refer conference website call for submission to understand better on the appropriate type to be chosen.

4. Select the session track based on the topic pertaining to your submission. Only one session track can be selected.

Select Session		
<input type="radio"/>	AC500 Aerospace Systems Engineering	<a href="#">View Session Description</a>
<input type="radio"/>	AC300 Avionics Systems – Displays, Control, Guidance, Navigation & Communication	<a href="#">View Session Description</a>
<input type="radio"/>	AC400 Flight & Space Dynamics	<a href="#">View Session Description</a>
<input type="radio"/>	AC200 Materials, Structures & Manufacturing	<a href="#">View Session Description</a>
<input type="radio"/>	AC600 New Technologies Integration	<a href="#">View Session Description</a>
<input type="radio"/>	AC100 Sustainability & Circularity (Special Interest Topics)	<a href="#">View Session Description</a>

To view the topics pertaining to a session, please click on “Session Description”.

<input type="radio"/>	AC500 Aerospace Systems Engineering	<a href="#">View Session Description</a>
<input type="radio"/>	AC300 Avionics Systems – Displays, Control, Guidance, Navigation & Communication	<a href="#">Close Session Description</a>
